Spotlight on Neighbors

Andy & Karen Cook and their children Allison & Samantha have moved to 8213 Oak Leaf Ct. The Cooks were already making themselves at home this summer as members of the Stingray Swim Team.

Keith & Kimee Hubbard and their "Lab-mix babies" have moved to 8300 Clearbrook Drive.

Greg & Suellen Wright and their children Kevin, age 8 and Erin, age 6 have moved to 8316 Apple Orchard Way. They too were at home on the Stingray Swim Team this past summer.

We're so glad to have you in the neighborhood. Look for more spotlights next month.

Beautification— John Kinney

August Yard of the Month Winners are:

Curtis & Kathy Twiddy
8800 Mourning Dove Rd

Herman & Dana Towles
8109 Running Cedar Tr.

Ruth & Scott
8200 Pepperidge Ct.

Nima/Quan Sourerafil
8500 Baileycroft Dr

Neighborhood Yard Sale will be help September 21. More details in the September Newsletter but start gathering your items now!

Newsletter - Kathy Bolch

Newsletter@Summerfieldnorth.com

Hello Neighbors. I'm the new "old" newsletter editor and am really excited to be communicating with you once again. I'm looking forward to working with this new SNNA Board and am certain that great things will be happening.

A few rules and regulations to get through. You'll notice the web address above for all submissions to

the newsletter. This is the preferable way for me to receive articles and all submissions MUST include your name. The mission of the SNNA Board and its newsletter is to promote a social atmosphere in the neighborhood. We want this newsletter to be informative about what is happening in the neighborhood. So let me know what is going on and I'll be sure to let everyone else know!

Newsletter submissions are due by the 25th of each month. This will allow time to put the newsletter together and be printed by the beginning of each month.

If you have any ideas for articles, don't hesitate to pass them on to me. I love new ideas.

Community Watch

Rod Simpkins

We hope everyone's summer is going as planned! First, I'd like to thank the SNNA board for asking me to continue with my position as the Community Watch chairperson. The long-awaited "No Soliciting" signs have been made and I have installed them at 5 locations in the neighborhood. Hopefully, they will help limit solicitation. In the unfortunate wake of recent child abductions around the

country, please reassess your methods of protecting your children wherever they are. It has become obvious that things can happen anywhere. Visit the website www.escapeschool.com to learn how to teach your children methods of escaping a bad situation. This program has been recently highlighted on "Americas Most Wanted" (www.amw.com). On the local front, I have re-

ceived a few reports of bicycles being stolen in our neighborhood. According to police, bikes are one of the hardest items to recover. Please do not leave bikes near the street since this only makes a thief's task much easier. Thank you for communicating any problems or concerns to our group. As always, be safe and be smart.

Social Committee

Kelly Sparks, Janice Barnes, Erin Cohen, Karen Cook, Lisa Wells

Adult Pool Party- Fun for All
The social committee would like to thank all of our wonderful neighbors who participated in the adult pool party. This year was a record breaking year for attendance! Fun was the order of the night, as we all enjoyed wonderful

relaxing conversation while listening to summertime 70's and 80's music. The summer thunder storm came and went early in the day and left a wonderful breeze and cooler temperature to make the evening a huge success. The cooler temperature didn't stop some of our guys

although from enjoying a friendly game of pool volleyball. Appetizers and desserts along with our favorite spirits rounded out the night and left us wishing for more time on the clock at the end of the evening. Thanks to All.

From the President

Niles

Mills

I hope everyone is having a great summer!

What an amazing turnout we had at the SNNA Election and Adult Pool Party! 82 concerned and interested neighbors turned out to make a great start on a new year. The sign-up sheet was filled for every committee and a large number of people signed up for Block Captain duties. Thanks to everyone who came -- it was a fun evening and bodes well for a great year.

Special thanks go to Kelly Sparks, Erin Cohen and Janice Barnes for putting on a great party. And Ed Collevocchio, Diane Makgill and Sarah Wilson deserve everyone's thanks for running the nominating process and subsequent election. Job well done all the way around!

The new SNNA Board held a transition meeting on Monday evening (July 23rd) during which 1. The outgoing members handed off their paperwork and tasks to the new members.

2. The board made new committee assignments. Board members signed up to speak with all outgoing and new committee members to get the ball rolling. (The new assignments are mentioned elsewhere in this edition of the newsletter.)

3. In response to the many requests to get Block Captains back in place, Dave Mykins took on the job of getting things organized. Those of you who signed up will be hearing from him.

Our meeting went well and we all left charged up for the coming year. We're betting you feel the same way. We have a beautiful neighborhood with wonderful people -- and we're going to have a great year!

On a related note, after each board meeting, I will email a synopsis like that above to all interested neighbors. For the first mailing, I used the SNNA Swim Team's mailing list and so I know that many neighbors were missed. In that light, please send me your email address if

you'd like to be included in future mailings.

There's a lot of activity underway -

A new Constitution and By-Laws committee has been formed and will work through the coming year to propose changes.

The website committee is working on enhancing the existing SNNA website.

Dave Mykins is getting Block Captains back in place. Give him a call if you'd like to represent your block.

The SNNA directory is being finalized. After each of the new (or returning) Block Captains ensures that the information for their block is right, we'll get the directory printed and distributed.

That's all for now. Have a great summer!

Niles Mills

Men's Lunch/Dinner	Golf
Women's Lunch/Dinner	Road Rally
Wine Tasting Club	Gardening Club
Deep Sea Fishing Trip	Bunco
Progressive Dinner Club	

Block Captains are Coming Back!

You asked for it and we listened. Dave Mykins is in the process of reorganizing the block captains. Several people have already signed up to provide this wonderful service to the neighborhood. If you didn't get the opportunity to sign up at the Adult Pool Party and are interested in helping out, give him a call at 518-8483. The block captains will begin delivering the September newsletter.

Hospitality—Lisa Wells & Carolyn Ball

Carolyn Ball and Lisa Wells are anxious to meet and greet all the newcomers to our neighborhood. Please call us if you see anyone moving in. We'd rather have several calls on the same house than miss an opportunity to acquaint a new neighbor with all the benefits of living in this great neighborhood! As in the past, we will be giving out a small gift as well as an information packet about the neighborhood. If you have any suggestions or things you've gotten that you'd like to add to our bags, please share! You can reach Lisa Wells at 676-1169 or e-mail her at killowells@nc.rr.com or Carolyn Ball 841-4822 or MBall1@nc.rr.com. Also, if you'd like to serve on this committee, we'd love to hear from you!

Stingrays are Division IV Champs

The Summerfield Stingrays swim team ended their 2002 season as Division Champions! The trophy can be seen at the pool, displayed in the lifeguards' office. The season was filled with fun, learning, and some incredible swimming. Six meets, Tuesday morning crafts, raft party, scavenger hunt, book swap, ice cream party, the awards banquet and LOTS of hotdogs rounded out the season.

Financially this summer the swim team was able to buy a grill for the pool (which can be rented by any pool member!), subsidize a portion of your banquet cost, buy ribbons and trophies, provide entertainment such as the raft and ice cream parties, scavenger hunt and some of the Tuesday morning activities. We are looking into replacing some of the lane ropes because they are starting to fall apart but a final decision has not yet been made.

The 97 swimmers that made up the 2002 Stingrays team should all be congratulated...each and every one. Whether he was a newcomer to the sport or a swimmer that trains 5 times a week, everybody put in 100 percent effort for the summer team. Good sportsmanship and team spirit were always on display and we should all be very proud of our neighborhood team! We thank coaches Kristie and Kevin Chipman and Kathryn Winz for all of their very special skills they brought to our team.

The Stingrays' parents also deserve a big pat on the back. The pitching in to help was just incredible. The team coordinators really appreciated not having to nag ;-)

A very special thanks to Herb Young, Denise B. and Diane Makgill. They really get the "above and beyond the call of duty" award.

They helped out with every home meet concessions stand without even having kids on the team! We would also like to thank Mike Guerrero and his pool staff for setting up and taking down for all of our home meets as well as always being a great support for our team.

The coordinators, believe it or not, are already planning for next summer. If you are interested in joining the swim team next year and are not already on the team email list, please let us know. It's a great way to get any swim team related news. All in all, a great season and a big thanks to everyone! STINGRAYS ROCK!!!
