Important Stuff Happening in the neighborhood

The most important and fun neighborhood gathering thing we do is coming up this month. . . SNNA 10th ANNUAL Memorial Day Parade and Picnic. Remember, it's on Saturday this year due to a WCPSS make-up day on Monday. See page 2 and the Flyer in the back for all the information you need. Please plan to participate in the parade or support those that do by lining the parade route.

And to those neighbors that are on the fence about joining the pool, it's an **Open House!** All non-members are invited to come and enjoy the pool after the Memorial Day Parade free of charge.

Find out what you and your family have been missing.

Come hungry Help support the Swim Team by purchasing your lunch. Good old fashioned cook-out. Don't want to miss it.

A BIG SNNA Thank You to the Combined efforts of the Social and Community Watch Committees as well as the Swim Team Coordinators for their hard work in putting together the Spring Fling. Big day in the neighborhood.

For those of you that haven't turned in your

Swim Team Registrations, there is still time. Although, it would be great if you'd do it in a timely manner as the Swim Team must purchase new lane ropes this year. Please contact Carolyn Clayton-Luce at 847-7295.

Swim Practice begins May 19th after school. Practice switches to mornings on June 3rd. The first meet will be on June 10.

And Parents??? There are still lots of jobs open. Remember, we can't run the meets without you.

Calling All Graduates

If you or your child will be a Graduating Senior, whether from High School or College, we'd like to publish your accomplishments in the June Newsletter. Please email me the Student's

Name, School Graduating from and where attending in the Fall. And if you are a College Graduate, the College graduating from and degree earned.

You've worked very hard

for this honor. Please don't hesitate to pass on your information. Send to: Newsletter @Summerfieldnorth.com

I trust that everyone is having a wonderful Spring! Speaking of that, our Spring Fling event last month was a major success! I would like to thank everyone who planned or participated in this special neighborhood gathering. After a week of rain, we could not have had a better day than the one we were blessed with.

The safety related activities we had were a real treat for everyone. A fire truck and 4

firefighters were there to allow us to get in and on the vehicle and ask questions. An EMS vehicle with staff was also there. They displayed their life-saving equipment and gave the kids (and maybe some adults) a chance to have their blood pressure checked. Child fingerprinting was done through a combined effort of MetLife Insurance and the Raleigh Crime Prevention Unit. I would guess that about 30

children got their fingerprints made and had a digital photo taken for their parents to keep. Of course, the social committee had its hands full providing lots of entertainment for everyone. The swim team had a fund-raiser lunch that made sure we had something to eat and drink. We had no reported problems during the last month so everyone keep up the good work.

Summerfield North Neighborhood Association 10th Annual Memorial Day Parade
