June 2003

Welcome to the Neighborhood:  
Amanda Ford and Franklin Alston and their four children have moved to 8001 Mourning Dove Rd.

## Spring Fling Thank You

The Social committee would like to thank all those neighbors who participated in the Spring Fling. The day was filled with fun family games and activities, many kids enjoyed the egg hunt, egg toss, and sack races. Thank you to the SNNA Swim team for providing the picnic lunch and to the SNNA Community Watch for providing us with valuable information on safety and neighborhood watch responsibilities. We would also like to thank Goodberry's on Strickland Road for providing us with T-shirts and gift certificates for those winners of the egg toss and sack races. When you frequent Goodberry's please pass on our neighborhood thanks.

## Memorial Parade Thank You

Thank you to everyone who helped make this Memorial Day Parade a success once again! It's so nice to see everyone with big smiles, wearing red, white and blue. We once again managed to dodge the rain over the weekend in order to have a great parade. Our sincere thanks goes out to the Raleigh Police and Fire Department, the Ford Model A Classic Cars, "Muddy" the Mudcat, Brownie Troop 1755, the SNNA Swim Team and managers for providing a picnic lunch and bringing our Stingray mascot,

Mike Guerrero for providing us with wonderful pool games and activities, Scott and Stephanie Wilson for providing us with horses, Tom Guild and Michael Ball for putting the patriotic music on wheels, Brian and Michelle Coppedge for providing their trailer for use as a float, David and Susanne Robinson for providing refreshments to neighbors waiting for the parade to start, Liz Carr for taking photographs, and to all of you who helped decorate, clean-up, and run errands at the last minute, we could not have done it

without your help and support! Last, but by no means least, thanks to all of you, our friends and neighbors---it would not be a parade without you all walking, biking, scootering, roller blading, and driving in the parade!!! Thank You, Thank You. Our sincere apology if we have overlooked anyone assisting with the parade and not mentioned you or your contribution. We do apologize for a few technical difficulties with the parade route, we were undermanned in a few areas...(things we will work on for next year.)

## Community Watch

Earlier this month, a group of graduating high school students went around our neighborhood in the early morning hours, pounding on front doors to celebrate their impending release from school. While we can all understand their youthful exuberance, they gave a pretty

good scare to a several neighbors, each of whom called the Raleigh PD. The police arrived in a little over a minute flat and quickly rounded up the revelers. We can all appreciate the spring fever that teenagers go through, but the story might have ended on a different note.

It's entirely possible that a frightened neighbor could have mistaken the SNNA kids for hostile attackers and decided to defend themselves. We're lucky that no one was hurt. Parents, please let your kids know what the issues are.

### Father's Day Golf Outing

It's time for the third annual Father's Day Golf Outing for Summerfield North. This year we will be playing at Falls Village Golf Club. The greens fees are \$41 including the cart fee. I will get as many tee times as necessary for the number of participants. Tee times begin at 7:00 am on Sunday June 15.

We'll get off early so we can all get back and enjoy the day with our families. Anyone interested in joining us on the links that day should contact Dave Mykins via e-mail at [golf@summerfieldnorth.com](mailto:golf@summerfieldnorth.com). The deadline for sign up is June 12 so that I can confirm the number of tee times with the course.

### Pool Has Changed Locks

To those early morning and late night swimmers who have a lap swim key to the pool will need to see Mike Guerrero to exchange keys if you plan to use the pool for after hours swimming.

## From the President Niles Mills

Greetings!

Summer's just about here and the weather's getting better with every week (if you ignore the occasional rain)! More and more neighbors are out walking in the evening and the pool is jumping with kids!

We had another great Memorial Day parade, with plenty of kids and adults on wheels of all shapes and sizes. Although the fire department made a wrong

turn, preventing the Clear Brook neighbors from viewing the parade, the neighborhood came together to honor those lives that were given to ensure that we can live in a place like Summerfield North. We're pretty lucky. A big thanks goes to all those who donated their time and effort to putting on the parade.

By the time this newsletter goes to press, the SNNA Swim Team will be in full swing with the first competition to be held on

June 10th at Planter's Walk. Come on out and cheer on our kids -- it's great fun!

That's all for this month -- see you at the Pool!

### SNNA Classifieds

By the time this month's newsletter goes to press, the SNNA website will have a new feature - Classifieds! In order to keep the newsletter free from advertising, the SNNA website ([www.summerfieldnorth.com](http://www.summerfieldnorth.com)) will begin accepting classified ad's (at no cost) from SNNA members. Ads will be reviewed by a moderator (Scott Young) and then posted to the classified section. The terms of use will be posted on the classifieds entry form. Thanks goes to our webmaster, Jim Rudolph, for another great feature.

### Neighborhood Request

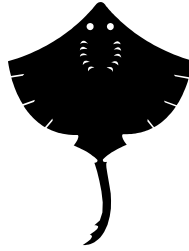

I've received phone calls and email from SNNA neighbors who have back yards that are common to West Millbrook Middle school and the adjacent park. The problem is that kids are riding their bikes and scooters through the yards, tearing up lighting, wiring and plants. Although the kids have been asked to stop, the requests have been ignored. As some of these kids live here in SNNA, a word from SNNA parents to kids will help. Thanks!

Niles Mills

### ANNUAL ELECTIONS

We will once again be electing SNNA officers at the annual meeting scheduled this year for July 19, 2003. If you are interested in running for any of the four available positions, President, Vice President, Treasurer, or Secretary, please contact the Chairman of the Nominations Committee, Ed Collevocchio at 676-2745. Nominations will be accepted up until one week before the elections so that we can have time to print ballots if necessary.

## Do You Like To Laugh?

Please plan to join the Gallagher and Guild families for a fun night out at The Village Idiots on Saturday, June 21. The show starts at 8:00 P.M., and it's \$5.00 per person to get in. The Village Idiots are North Raleigh's own improvisational group, and put on a great show involving lots of audience participation every Saturday night. Some refreshments are sold during intermission, and no alcohol is served. The humor is funny, but clean - very family-friendly (probably best for elementary-aged kids and up). So come on out, see your neighbors, and support local live entertainment on June 21. The place is located in the corner of Greystone Village Shopping Center, at the corner of Sawmill and Leadmine Roads. They also offer plays, summer camps and classes - check out their websites at [www.idiots.net](http://www.idiots.net), and [www.nract.org](http://www.nract.org) for info on auditions, other performances, and camps. For more info on Summerfield Night, call Peg Guild at 846-6372, or Liz Gallagher at 844-7698.

Congratulations to our May and June Yard of the Month winners! Your gardening efforts are greatly appreciated in keeping our neighborhood beautiful! We have many lovely yards in the Summerfield area. It is a difficult task to choose only 4 each month.

When searching for homes to be recognized each month, the

following items are checked:

- a neat, well-trimmed & healthy lawn
- planters free of weeds and trimmed
- paved surfaces, clean & free of debris
- color in the landscape
- general curb appeal

Winners are selected from the various areas of our neighborhoods and we try not to give it to the same families all the time
