## From the President— Dave Mykins

Greetings Neighbors.

Hope you're all having a great summer - it really seems to have raced right by! The Annual Back to School Ice Cream Social on Sunday August 8<sup>th</sup> marks the end of another great summer, and the anticipation of another great school year. Hope you all can make it!

Our sign area revitalization project is getting underway. I attended the Talis Board meeting in July to brief them on our plans and they have agreed to consider helping us fund this very worthwhile project. A committee is coming together to do the planning and legwork that it will take to make this a success. If you're interested in being a part of it, drop me a line and I'll hook you up.

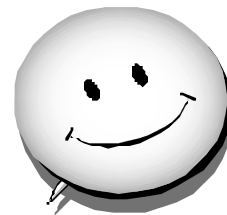

While at the Talis meeting, I also passed on the neighborhood's interest in a children's playground near the pool and tennis courts. In order for this project to happen, there would need to be considerable research, planning, and probably additional fundraising efforts. Anyone interested in taking this to the next level, let me know - it's not an impossibility.

The long awaited directory updates are scheduled for delivery in September. We are adjusting our annual membership drive to coincide with the delivery of these new directories. So, look for your block captains to be handing out newsletters and directories, while at the same time collecting dues for the upcoming year. \*\* drum roll please \*\*

**SPECIAL PRIZE GIVEAWAY!!** (To be eligible all you need to do is pay your membership dues by September 30<sup>th</sup>.) More details in the September newsletter.

If you have any questions, just drop me a line.

## Talis Management—Herb Young

The main function of the Talis Board is the running and upkeep of the Tennis Courts and Pool. The Talis Board is also responsible for the landscaping at the pool, common area, the islands at Apple Orchard and a couple of private streets that are in the neighborhood. Thanks to Mike and Carolyn Ball for watering the islands at Apple Orchard. We have made improvements to these islands and they are very gracious to keep them watered.

If you are moving within the neighborhood, please call Jennifer at Talis at 919-878-8787 and inform her of your new address to ensure you get your pool package. All of the Talis information is available at [www.talismgmt.com](http://www.talismgmt.com). If you have lost your pass code that was sent to you, please email Jennifer at [JHilkert@talismgmt.com](mailto:JHilkert@talismgmt.com) for a new one.
