Thank You!

Although we had to move it back one day, we had a fabulous time at the Fall Festival! Thank you to Steve Toumey, Dave Mykins, Miles Holt, Beth Robertson, Michele Moore, Michael Ball and others for helping with preparation, judging and clean-up. Special thanks go to Michele Moore and our young adults who helped with the Jump Castle and Slide and to Capital Creations for the delicious pizza. Congrats to Tim Hoyle for guessing the closest weight to the 41 lb pumpkin! Check out photos from this event at www.summerfielnorth.com.

From the President — Alex Carr

Greetings!

Another great Fall Festival! The last-minute switch of days went smoothly, and the weather ended up being great. Thank you very much to Tami Hollingsworth for all of her effort organizing the event and arranging the activities, and thanks to everyone who participated, prepared, or cleaned up. Thanks also to our ex-presidents committee for their professional, unbiased costume judging.

Thank you, block captains, for helping with the SNNA membership drive. This drive is crucial to the success and activities of SNNA. We are almost there, but we have a bit more to do. So far this year, we are at 65%, compared with 78% last year. If you haven't paid your block captain, please make their job easy and drop your dues off to them.

Congratulations to Fred and Elizabeth Barite!!!! They were the winners of the \$100 prize for becoming SNNA members by Oct 10th.

Finally, many of you have signed up for the neighborhood e-mail list. This e-mail list is used to broadcast safety and community watch alerts to the neighborhood, as well as the occasional lost/found pet messages and reminders of upcoming neighborhood social events. If you have not been receiving these messages and would like to be added to the list, just send me an e-mail with your address. All messages are sent as blind copies in order to protect your privacy.

Water Restrictions

Raleigh's mandatory water rules:

- * Automatic spray irrigation systems can be used only from 10 p.m. to midnight and from 12:01 to 5 a.m. Non-automatic systems can be used only from 6 p.m. to midnight and from 12:01 to 6 a.m.
- * Watering by either system is allowed only on Wednesdays, Fridays and Sundays for even-numbered addresses and on Tuesdays, Thursdays and Saturdays for odd-numbered addresses.
- * Irrigate only if plants need water. If grass springs back after you step on it, there is no need. Don't apply more than 1 inch of water per week. Do not directly water impervious surfaces such as streets, driveways and sidewalks.
- * Water will not be served in public restaurants except upon request.

- * Leaking water services or plumbing must be repaired within 24 hours of written notification by the city's public utilities director.
- * No water may be added to any decorative fountain, pool or pond except what is necessary to maintain aquatic life.
- * Vehicles may be washed only at professional car washes.
- * No swimming or wading pools may be filled.
- * Do not wash sidewalks, patios, decks, driveways and building exteriors. This restriction does not apply to pressure washing performed by commercial pressure-washing companies, nor shall it apply to the washing of areas for maintenance of public health and sanitary conditions.
- * Fine: \$50 for first offense, \$500 after. Warnings will be issued until Tuesday, November 8th.
