## From the President — Eric Ledford

I hope everyone is enjoying the spring weather. This month we have our annual SNNA Memorial Day Parade. As you all know, this is probably our biggest event of the year for the neighborhood. The parade is a wonderful family event that winds through the neighborhood, ending at the gazebo area in Wycombe Manor. The social committee has been working hard to make this year extra special. Since so many of you work so hard on decorating your cars, bikes, scooter, etc. for the parade. **The board has decided to give away cash prizes for the best car/trailer (\$25), best bike/scooter (\$10), and best stroller/wagon (\$10).** I'm sure these prizes will make the parade even more exciting so we need even more volunteers to help. If you are interested or would like to volunteer someone you love, please contact Beth Robertson.

We will be holding our annual elections at the Adult Social in June to start a new fiscal year for the SNNA board in July. We are always looking for new members to get involved with new ideas for the neighborhood. Joining the board is a wonderful way of meeting others in the neighborhood that care just as much as you do. Please consider signing up to run for one of the four offices (President, Vice President, Secretary, and Treasurer).

## Annual Board Elections

We will once again be electing SNNA officers at the Annual Meeting/Adult Social. If you are interested in running for any of the four available positions, President, Vice President, Treasurer, or Secretary, please contact the Chairman of the Nominations Committee, Stephen Toumey. Nominations will be accepted up until one week before the elections so that we can have time to print ballots if necessary. Show your support by volunteering to serve on the SNNA Board.

## Community Watch—Rod Simpkins & Jim Gallagher

Here's a few timeless messages we need to share periodically:

1. Always lock your doors, house and car. If you return to find a door open, do not enter, call the police from a neighbor's house. If you always lock, someone else unlocked.
2. Keep your car off the street to protect it.
3. Trim bushes that are close to your house that can hide someone.
4. Make sure your garage door closes completely. They hit things and go back up sometimes. It's an invitation and they can tell if no one is home.
5. If you travel and leave your house alone for several days, tell your neighbors. Ask neighbors to watch your house and to collect mail and newspaper. You can stop mail at post office also.
6. Check your smoke alarms by pushing the button. Replace battery if silent.
7. Check that your family has fire escape routes from their bedrooms.
8. Discuss what to do in case of fire and perform a fire drill.
9. Purchase chain ladders to store under beds for 2<sup>nd</sup> story rooms that are too high to jump out of in a fire drill. Perform the fire drill with the ladders if they were not available on first try.
10. Make sure you all know where to meet if an emergency escape is necessary. You will want to know that everyone is accounted for.
11. Make sure you have fire extinguishers in the kitchen.

If you call the police and want to report it to us, please report it using the website:

[communitywatch@summerfieldnorth.com](mailto:communitywatch@summerfieldnorth.com). Emails will be sent to the current SNNA President and the Community Watch Committee.

It's almost that time of year when Door-to-door solicitation increases due to the warmer weather. Painting, gutter cleaning, magazine sales—you know the drill. However, Summerfield North is a "No Solicitation" neighborhood. Below is a placard you can cut out and tape to your door to convey this message to the new recruits. For those who persist, the *Raleigh Police Department* have said they would be glad to assist you. Just give them a call at **831-6311**.
