We'll have light refreshments.
Please call if you can make it

Hope to see you on the 18th!

From the President Tami Hollingsworth

Happy October and welcome the cooler weather! We are looking forward to the upcoming Fall Festival. Amy & Meredith have reserved the jump castle and slide again this year, as well as adding some other fun games.

Please don't forget that there are a few more days left in the membership drive. We want everyone to join to get the full benefit of all that the SNNA has to offer. Remember, the membership dues are the sole support for all the activities that the SNNA supports. These activities include the newsletters, directories, Spring Fling, Memorial Day Parade, Adult Social, Ice Cream Social, Fall Festival, holiday sleigh rides, as well as maintaining the lighting and landscaping around the Baileycroft, Sagewood, and Summerfield North signs. SNNA also runs the neighborhood website (www.summerfieldnorth.com), Community Watch Programs, and publishes alerts through the email database. SNNA also sponsors welcome baskets for our new neighbors, the "Yard of the Month", and awards the Halloween and Holiday House.

I think everyone will agree that \$30 a year is a deal. Becoming a member is also a way of saying that you support all of your neighbors that volunteer their time to help help make Summerfield North such a great place to live.

Mourning Dove Traffic Calming Project Concerns

As you can see driving on Mourning Dove, the City has marked on the streets where the medians and curb extensions are planned to be built. Some neighbors have expressed concerns regarding the size and location of some of these traffic calming devices. If you have concerns and have not already done so, we urge you to contact David Thompson, Residential Transportation Safety Engineer for the City of Raleigh - Public Works Department at david.thompson@ci.raleigh.nc.us to express your concerns. He is keeping a log of all neighbor comments and suggestions concerning design issues and will address those issues.

Raleigh Reduces Water Restrictions

RALEIGH - For the first time in 13 months, Raleigh water customers may water their lawns and plants three days a week. The City Council voted 7-1 Tuesday to return to the rules it had in place before last year's drought took hold. The council decided to keep the time restrictions that limit when a customer may operate a sprinkler system and a hose-end sprinkler.

Under the rules that go into effect today, residents with odd-numbered addresses may water lawns and landscapes on Tuesday, Thursday and Saturday. Those with even-numbered addresses may water Wednesday, Friday and Sunday.

Sprinkler systems may operate between midnight and 10 a.m. Sprinklers attached to garden hoses are allowed between 6 a.m. and 10 a.m. and between 6 p.m. and 10 p.m. Watering with a hand-held hose is not restricted.
